

Thats The Way Love Goes
Merle Haggard

[Intro]

C Fm x3

[Verse]

C **Bb** **C7**
I ve been trowing horseshoes
F **G**
Over my left shoulder
F **C**
I ve spent most all my life
D7 **G**
Looking for that four-leafed clover
C **Bb** **C7**
When you run with me,
F **G**
Chasing my rainbows
F **C**
Honey I love you, too
G **C**
And that s the way love goes.

[Chorus]

C **Bb** **C7**
That s the way love goes, babe
F **G**
That s the music God made
F **C**
For all the world to sing
D7 **G**
It never gets old; it grows
C **Bb** **C7**
Losing makes me sorry
F **G**
You say, Honey, don t worry.
F **C**
Honey, I love you, too
G **C**
And that s the way love goes.

[Solo](same chord progression)

[Repeat Verse and Chorus]

[Outro]
