

Theres Somebody Else On Your Mind
Merle Haggard

There s Somebody Else On Your Mind

C **Em** **C**
Thereâ€™s laughter and a band playing loud
F
But you donâ€™t fit in with the crowd
C **Em** **A**
And youâ€™re only with me killing time
Dm **G** **C**
There s somebody else on your mind

Weâ€™re dancing and youâ€™re holding me tight
But the words to the song isnâ€™t right
Theyâ€™re singing â€™bout old lonesome time
There s somebody else on your mind

F
There s somebody else I wish I could be
C **A**
Cause there s somebody else you want more than me
C **Em** **A**
And youâ€™re only with me killing time
Dm **G** **C**
There s somebody else on your mind
