Where does the good times go

D A

Where does the river flow

A D

Where does the north wind blow

Where does the good times go

Λ Т

Lips that used to burn with love

E D A

Now are cold beneath my touch

A D

Still I love you oh so much

Where does the good times go

A I

Where does the good times go

E D A

Where does the river flow

A D

Where does the north wind blow

E A

Where does the good times go

A D

Arms that used to hold me tight

E D A

Eyes that shone with love so bright

A D

Now have changed like day to night

E A

Where does the good times go
