Song: Melt With You

Tabbed by: Anna

Verse: **E, A**

Moving forward using all my breath
Making love to you was never second best
I saw the world crashing all around your face
Never really knowing it was always missing lace

Chorus: **E, A**

I ll stop the world and melt with you
You see the difference and its getting better all the time
There s nothing you and I won t do
I ll stop the world and melt with you

(We should know better)

Dream of better eyes the kind which never hate
Trapped in a state of imaginary grace
I ve made a pilgrimage to save this human?s race
Never comprehending a race that s long gone by

Our future s open wide

E, A
Mmmmm,
Mmmmm,
Mmmmm,
Mmmmm,
