

Iced Honey
Metallica

Intro: D G D G

Verse 1:

D

You can't put a butterfly in a jar

G

If the effort's too high no matter who you are

D

You can't catch the moon, or the sun or the stars

G

It doesn't matter who you are

D

Iced honey

G

Iced honey

Verse 2:

D

Now me I've tried a million tricks

G

To make life cold and make it stick

D

Not running heat that flames then out

G

But the proud piece of ice that always floats

(Repeat Chorus)

Verse 3:

D

If I can't trap a butterfly or a bee

G

If I can't keep my heart where I want it to be

D

If no matter how much soul and heart I put to the wood

G

If a flaming heart is not that good

(Repeat Chorus)

Verse 4:

D

If you can't put a butterfly in a jar

G

If violence mars your final hour

D

If you make others feel like jam

G

Poured on a piece of charbroiled lamb

Verse 5:

D

If it's all mixed up and you cannot shout

G

And your oxygen starts to run out

D

If your final gasp has the recipe wrong

G

And instead of hello you say so long

Verse 6:

D

If your energy starts to leak out

G

And people wonder what you're all about

D

A heartbreaker with an unattached heart

G

The story of love gives them all a start

Verse 7:

D

And me, I've always been this way

G

Not by choice, just this way

D

I can't put my honey pot in a jar

G

Or a heart or a fist of some young boy

Verse 8:

D

If you can't put a butterfly in a jar

G

No wonder no need to wonder where you are

D

It might seem like Hell, the river Styx

G

Your affection never sticks

Verse 9:

D

No matter what you say, no matter what you do

G

A butterfly heart flies right past you

D

There s nothing to say, nothing to do

G

See if the ice will melt for you

Bridge:

D

See if the ice will melt for you

G

See if the ice will melt for you

D

See if the ice will melt for you

D

See if the ice will melt for you

D

Iced honey

G

Iced Honey

D

Iced honey

G

Iced Honey

(Repeat Bridge)

Outro Chorus:

D

Iced honey (See if the ice will melt for you)

G

Iced Honey (See if the ice will melt for you)

D

Iced honey (See if the ice will melt for you)

G

See if the, see if the ice will melt for you

(See if the ice will melt for you)

D

Iced honey (See if the ice will melt for you)

G

Iced Honey (See if the ice will melt for you)

D

Iced honey
