Tunning : Down 1/2 Step

- / = Slide up
- \ = Slide down
- ~~~~ = vibrato (tremolo or with left hand)
- () = Ghost

At this solo you need to work out a plan how to put your fingers.
 When you know where to put your finger this solo is pretty easy.
 Remember you don't have to hurry, cause this solo is going really slow in the beginning.
 Good Luck and Have Fun !
