

Blindness

Metric

It s a pretty and simple song to play. Just repeat the chords pattern through the song. I love Metric! Enjoy. :)

F#m **Dadd9**
Send us a blindfold, send us a blade
F#m **Dadd9**
Tell the survivors help is on the way
E **F#m7**
I was a blindfold, never complained
E **A**
All the survivors singing in the rain
E **F#m** **D**
I was the one with the world at my feet
F#m **Dadd9**
Got us a battle, leave it up to me
F#m **Dadd9**
Find us a trapdoor, find us a plane
F#m **Dadd9**
Tell the survivors help is on the way
E **F#m**
I was a blindfold, never complained
E **A**
All the survivors singing in the rain
E **F#m** **D**
I was the one with the world at my feet
D **F#m**
Got us a battle, leave it up to me

What it is and where it stops nobody knows
You gave me a life I never chose
I wanna leave but the world won t let me go
Wanna leave but the world won t let me go

What it is and where it stops nobody knows
You gave me a life I never chose
I wanna leave but the world won t let me go
Wanna leave but the world won t let me go
What it is and where it stops nobody knows

You gave me a life I never chose
I wanna leave but the world won t let me go
Wanna leave but the world won t let me go

What it is and where it stops nobody knows

You gave me a life I never chose

I was the one with the world at my feet
Got us a battle, leave it up to me
Leave it up to me, leave it up to me
