Metric

[Intro]

C Em Am F

[Verse]

I m the blade, you re a knife
I m the weight, you re the kite
They were right when they said
We were breathing underwater
Out of place all the time
In a world that wasn t mine to take;
I ll wait

[Chorus]

Is this my life?
Ahhh
Am I breathing underwater?
Is this my life?
Ahhh
Am I breathing underwater?
F Am F Am

[Verse]

I m the blade, you re a knife
I m the weight, you re the kite
They were right when they said
We should never meet our heroes

When they bowed at their feet

In the end it wasn't me

[Chorus]

Is this my life?

Ahhh

Am I breathing underwater?

Is this my life?

Ahhh

Am I breathing underwater?

F Am F Am

Nights are days

We beat a path through the mirrored maze

I can see the end

Ahhh

But it hasn't happened yet

I can see the end

Ahhh

But it hasn't happened yet

Is this my life?

Ahhh

Am I breathing underwater?

Is this my life?

Ahhh

Am I breathing underwater?

Am I breathing underwater?
