

**Clone
Metric**

G Em C
Call me out
My regret
Only makes me
Stronger yet.

G Em C

G Em C
Nothing I ve ever done right
Happened on the safe side
It s the other way
I m missing everyone I know now

D
It s too late in the day,
Em C G
Too late in the day to take you on all the rides
D Em C
I was afraid to tell you that

C C Em G

G Em C
Back to that
Photograph
Can you clone me?
I look like everyone you know now.

D
It s too late in the day,
Em C G
Too late in the day to turn it around or change my mind
D Em C G
Too late in the day to take you on all the rides
D Em C G
It s too late in the day to tell me I m off the path
D Em C
We re already in the aftermath

G Em C
Call me out
My regret
Only makes me
Stronger yet.

D
It s too late in the day,
Em **C** **G**
Too late in the day to turn it around or change my mind

D **Em** **C** **G**
Too late in the day to take you on all the rides

D **Em** **C** **G**
It s too late in the day to tell me I m off the path

D **Em** **C**
We re already in the aftermath
