

Combat Baby

Metric

verse 1

we used to leave the blue lights on and there was a beat
ever since you have been gone it's all caffeine-free, faux punk fatigues
said it all before
they try to kick it, their feet fall asleep
yet no harm done no
none of them want to fight me

chorus

combat baby come back baby
fight off the lethargy
don't go quietly
combat baby
said you would never give up easy
combat baby come back

verse 2 (same chords as first)

get back in town I wanna paint it black
I wanna get around
easy living crowd so flat
said it all before
they try to kick it, their feet fall asleep
I want to be wrong but
No one here wants to fight me like you do

chorus

combat baby come back baby
fight off the lethargy
don't go quietly
combat baby
said you were never gonna give up easy
combat baby come back
