Gimme Sympathy Metric

Band: Metric

Song: Gimme Sympathy (Chords)

Album: Fantasies

Tuning: Standard

This song is really easy to play, I tried my best to show when to play each chord. Enjoy!

[Verse]

A E

Get hot Get too close to the flame

F#m

Wild open space

D

Talk like an open book

Α

Sign me up

E

Got no time to take a picture

F#m

I ll remember someday

D

All the chances we took

[Pre-Chorus]

D

We re so close

E

to something better left unknown

D

We re so close

Е

to something better left unknown

```
[Chorus]
                    F#m
I can feel it in my bones
Gimme
sympathy
After all
        F#m
this is gone
D
Who would you
        Α
rather be
    E
The Beatles or
            F#m
The Rolling Stones?
D
Oh
seriously
You re gonna make mistakes you re young
[Post-Chorus]
Come on baby
       E
play me something,
Like here comes the sun
```

Come on baby

```
Е
play me something,
Е
                     F#m
Like here comes the sun
(F#m)
[Verse 2]
      Α
Don t go
Stay with the all unknown
                   F#m
Stay away from the hooks
All the chances we took
[Pre-Chorus]
We re so close to something better left unknown
We re so close to something better left unknown
[Chorus]
                     F#m
I can feel it in my bones
```
