C   Am
On the day we were supposed to leave
Dm   G
You changed your mind at the station
Am
You had a nice apartment
C
There was a good bar downstairs
Dm   G
Your old friend worked there

C   Am
I ll go anyway, I ll go anyway
Dm   G
They won t refund the ticket
G
It s a good story

Dm   G
But I don t want to live it alone
G Am
Crash to take a chance
Am C
I wanna live it out

```
C       Dm
I know I m already dead
Dm          G
No concrete adversity
G           Am
Only traps of our own actions
Am        C
How we wanted it to be
C       Dm
Now I m never gonna see you again
Dm        G
You checked out

Vertebrae by vertebrae
Roll your way out of a coma
Look up, the nurse is smiling
What luck, the nurse is me
Your old body is dead
Your body s dead, you re word instead
In my sleep I repeat it
It s a good story

But I don t want to live it alone
Crash to take a chance
We were gonna live it out
Look at you, you re already dead
How will you remember me
Digging ditches out of boredom
Said you would never leave
Now you re never gonna be here again
You turned off

Dm
Hope I live it out
G
Hope I live it out      x3
Am
Hope I live it out
C
Hope I live it out

Dm                        G
Hope I live it out
