

The Wanderlust
Metric

Artist: Metric
Album: Synthetica
Song: The Wanderlust

C **Am**
I ve been sleepwalking through the railway station

C **Am**
Wake me up when they call my destination

C **Am**
Where I ve been I was bound to leave behind

C **Am**
All device and all disease was mine

F **Am** **F** **Am** **F** **Am** **G** **F** **C**
Ooooh oh, speeding out of reach, oooh oh, you re the one I had to meet

G
I never wanted to go home

F **C**
The wanderlust will carry us on

G
There was nothing there for me

F **C**
The wanderlust will carry us on

G
In a high rise on my own

F **C**
I ve been on the prince of highways for so long

G
Looking out at a mirror balcony

F **Am**
The wanderlust will carry us on

G **F**
Will there ever be a place for you and me?

G **F**
The wanderlust

C **Am**
I m rolling in for a seven day weekend

C **Am**
Living up again to my old reputation

C **Am**
Can you cover me? Cause I got no armor

C **Am**
Keep on moving down the line, keep on going further

F **Am** **F** **Am** **F** **Am** **G** **F** **C**
Ooooh oh, speeding out of reach, oooh oh, you re the one I had to meet

I never wanted to go home
 The wanderlust will carry us on
 There was nothing there for me
 The wanderlust will carry us on
 In a high rise on my own
 I ve been on the prince of highways for so long
 Looking out at a mirror balcony
 The wanderlust will carry, carry, carry us on
 I don t know where to go now, I got nowhere to hide
 Nowhere to go, nowhere to be
 I don t know where to go now, I got nowhere to be
 The wanderlust will carry us on
 Walk fifty city blocks down but they always find us
 Wanderlust, will carry us on
 Will there ever be a place for you and me?
 The wanderlust will carry us on
 Will there ever be a place for you and me?
