I ve been sleepwalking through the railway station  
**C** **Am**  
Wake me up when they call my destination  
**C** **Am**  
Where I ve been I was bound to leave behind  
**C** **Am**  
All device and all disease was mine  
**F Am F Am F Am G F C**  
Oooh oh, speeding out of reach, oooh oh, you re the one I had to meet

**G**  
I never wanted to go home  
**F C**  
The wanderlust will carry us on  
**G**  
There was nothing there for me  
**F C**  
The wanderlust will carry us on  
**G**  
In a high rise on my own  
**F C**  
I ve been on the prince of highways for so long  
**G**  
Looking out at a mirror balcony  
**F Am**  
The wanderlust will carry us on

Will there ever be a place for you and me?  
**G F**

I m rolling in for a seven day weekend

Living up again to my old reputation  
**C Am**  
Can you cover me? Cause I got no armor  
**C Am**  
Keep on moving down the line, keep on going further

Walk fifty city blocks down but they always find us

Wanderlust, will carry us on

Will there ever be a place for you and me?  
F Am  
The wanderlust will carry us on
