If you dont know the chords in this song, you can use this website:

<http://www.all-guitar-chords.com/index.php> Be sure to listen to the song for timing during certain parts and only strum the low strings. Some parts Im not sure what the chords are. Ex: Between parts/solos if any.

Intro: **A Fm Em Fm A Fm Em G A**

A C F E
A
Another cigarette and i m so bored your words aren t making sense
C F E
i was taken but you were waiting one more drink and i m convinced
A C
not one more sound
F E
let your hair down
A C
take the low road
F E
no one will know

A C F E A C
whoa, i feel just like we re taking control
F E
of the night
A C F E A C
whoa, i feel just like we re losing control
F E
but if you let go then i ll let go tonight

A Fm Em Fm A

A C F E
A
another minute lived if you take me i ll take what you will give
C F E
A
i was late and she kept waiting but i hope she knows where i ve been

A **C**
not one more sound

F **E**
let your hair down

A **C**
take the low road

F **E**
no one will know

A **C** **F** **E** **A** **C**
whoa, i feel just like we re taking control

F **E**
of the night

A **C** **F** **E** **A** **C**
whoa, i feel just like we re losing control

F **E**
but if you let go then i ll let go tonight

-NO guitar part-
i m coming down
bring me up
take it off
let s just touch

A Fm Em Fm A

A **C** **F** **E** **A** **C**
whoa, i feel just like we re taking control

F **E**
of the night

A **C** **F** **E** **A** **C**
whoa, i feel just like we re losing control

F **E**
but if you let go then i ll let go tonight

A Fm Em Fm A
