

Symmetry

Mew

Symmetry by Mew

Capo on 1st

Verse: x2

Gmaj7 **Dmaj7**

Iâ€™m caught in the symmetry of your mind.

Gmaj7 **Dmaj7**

But Iâ€™m not happier than you.

D **Esus E** **Gmaj7** **D**

Did I really see you or was it a dream?

D **Esus E** **Gmaj** **D**

Dreaming that it was seamless, not a trace of wrong.

D **Esus E**

Wrong words that we have spoken.

Gmaj7 **D** **Esus E**

Little did we know. No bigotry, No tears shed.

Gmaj7

oh if

Chorus:

D **Bm**
only youâ€™d try to be polite

A
thinking you were right

G **A** **D**
only to find that youâ€™re unkind.

Bm **A** **G**
But ironically you will always be belle of the ball

A **Gmaj7**
at least to me.

Verse:

Gmaj7 **Dmaj7**

Iâ€™m caught in the symmetry of your mind.

Gmaj7 **Dmaj7**

But Iâ€™m not happier than you.

D **Esus E** **Gmaj7**

But my words are frail not audible

D **Esus E**

they do not even convince me

Gmaj7 **D**

perhaps they are untrue.

D **Esus** **E** **Gmaj7**

Truly with you the worst is always true.

D **Esus** **E** **Gmaj7**

I gave you all the benefits of all the doubts

Chorus:

D **Bm** **A**

I had never hoped to be as benign as me.

G **A** **D**

Funny how you always get through

Bm **A** **G**

but ironically you will always be belle of the ball

A **D**

at least to me.

Outro:

D Bm A G A x2

Ends with D
