A

And there were future reflections

E

On the face and the hands

A

On a green colored island

E

On a primitive man

A

It was the future reflecting

E

It felt familiar but new

A

A street was missing a building

E

The kids had something to do

E

B

There was a feeling the spirit was leaving

A

Red like a marker

F#m

E

So my tribe, with my knife

B

A

Cut the heart from a lonely life
