never seem to find my way

**Em7/9 G D**

but you re still here

**Em7/9 G D**

always obstacles ahead

**Em7/9 G D**

I keep fighting for you over and over again

**Em7/9 G D**

Dreaming plans to run away

**Em7/9 G D**

But you re still here

**Em7/9 G D**

And i hear the crowd they re singing out loud

**Em7/9 G D**

while I m sitting here doubting fate

**Em7/9 G D**

when i try to shout the words don t come out

**Em7/9 G D [Pausa]**

but you turn around and say

**Em9 D G D**

Pick up the pieces, there s so much to do

**Em9 D G D**

You re far from losing everything, I ll always be with you

**Em9 D G D**

you said baby don t be scared, cuz I ll always be prepared

**Em9 D G D**

no matter what life brings us, I ll be here

**Em9 G D**

I ll be here

**Em7/9 G D**

Never knew the words to say

**Em7/9 G D**

that i thought of you every night and day

**Em7/9 G D**

now i know the price to pay

**Em7/9 G D**

when you re not here

**Em9** D G **Em9** D G

scared of the fire that once kept us alive

**Em9** D G **Em9** D G
