

Let Go  
Mia Rose

Mia Rose " Let go

Capo on 5th

**G Cadd9 Csus4 D**  
Every shred of hope collides in your heart  
**G Cadd9 Csus2 D**  
with the fear of losing what you ve just given up  
**G Cadd9 Csus2 D**  
As the moments pass you pray to survive  
**G Cadd9 Csus2 D G Cadd9 Csus2 D 2x**  
All these lonely minutes that once kept you alive

**G Cadd9 Csus2 D**  
Try to change the expression that s worn out your face  
**G Cadd9 Csus2 D**  
As you lose the momentum of your past living ways  
**G Cadd9 Csus2 D**  
Every song is a channel for the memories to keep  
**G Cadd9 Csus2 D**  
floating in your head as you re left asking

(Chorus)

**Em C G D**  
Why did I choose to let it all go  
**Em C**  
Was it the fear of needing  
**G D**  
or the doubts I let show  
**Em C**  
I never gave up fighting  
**G D**  
I never said goodbye  
**Em C G D G Cadd9 Csus2 D 2x**  
So why? Why did we let go?..

**G Cadd9 Csus2 D**  
Every day is a new breath, but the battle s still on  
**G Cadd9 Csus2 D**  
trying hard to elude them by keeping my head strong  
**G Cadd9 Csus2 D**  
Still I feel the exhaustion of wanting your kiss  
**G Cadd9 Csus2 D**  
As I m left here asking the same damn question

(Chorus)

**Csus2**

**Cadd9**

**D**

You never showed that you were scared of losing me

**Csus2**

**Cadd9**

**D**

And You... You didn't fight to make me stay in your arms

**D**

So I'm left asking...

(Chorus)
