

**Until You Arrive**  
**Mia Rose**

Capo on the second fret

Intro:

**F#**, **Ebm7**, **Badd9**, **C#**

**F#**

**Ebm7**

Butterfly of love flying up above, wont you settle on my arm now, you ve got secrets to tell now

**Badd9**

**C#**

I will never stray, cuz I promised you every day of me..

**F#**

**Ebm7**

Always in a dream, im smiling as I see the colors of your feelings, keep all of them with me

**Badd9**

**C#**

I will never say that I always knew the way back home from here..

**B**

**C#**

**Ebm7**

But when do you think you ll be ready?

**B**

**C#**

**Ebm7**

**C#**

And how do I know it ll be steady enough for me?

**Ebm**

**B**

**F#**

**C#**

Cuz I live a life of unsteady breath in the impulse from the air

**Ebm**

**B**

**F#**

**C#**

Im always searching for adventure to feed my spirit until you arriveâ€™™

**F#**

**Ebm7**

Learning as I go, searching high and low for that long awaited kiss from the boy I d hate to miss

**Badd9**

**C#**

Im waiting for the day when you will come and say my name one day

**B**

**C#**

**Ebm7**

But when do you think you ll be ready?

**B**

**C#**

**Ebm7**

**C#**

And how do I know it ll be steady enough for me?

**Ebm**

**B**

**F#**

**C#**

Cuz I live a life of unsteady breath in the impulse from the air

**Ebm**

**B**

**F#**

**C#**

Im always searching for adventure to feed my spirit until you arriveâ€™™

**Ebm7            Badd9                    F#            C#**

Dont you feel the time slipping away

**Ebm7                    Badd9                    F#                    C#**

and can t you see that I wont always wait for you?

**Ebm                                    B                                    F#                                    C#**  
Im always searching for adventure to feed my spirit until you arrive™

**Ebm                                    B                                    F#                                    C#**  
Cuz I live a life of unsteady breath in the impulse from the air
