

What Christmas Would Be Like?

Mia Rose

Bb **F**
What would Christmas be like without you here
Gm **Eb**
I m sitting at the bottom of the mistletoe waiting for you to come home,
Bb **F**
What would Christmas be like without the songs
Gm **Eb**
Sitting by the fire place reminiscing while we sing along..
Bb **F**
And I always believed there s magic on Christmas eve
Gm **Eb**
then Santa comes round, & I m so glad we found this love we swore to keep
Bb **F**
And we walk in the snow, letting our troubles go
Gm **Eb**
to a far away place so that we embrace Christmas spirit all around and i say
Cm **Eb** **F** (**Bb** **F** **Gm** **Eb**)
Merry have a Merry Christmas... today

Bb **F**
What would Christmas be like without the wait
Gm **Eb**
Crowded round the presents counting minutes, even seconds till we celebrate
Bb **F**
What would Christmas be like without the smiles
Gm **Eb**
laughing with the twilight moon shining through our window room as we smile..
Bb **F**
And I always believed there s magic on Christmas eve
Gm **Eb**
then Santa comes round, & I m so glad we found this love we swore to keep
Bb **F**
And we walk in the snow, letting our troubles go
Gm **Eb**
to a far away place so that we embrace Christmas spirit all around and I say
Cm **Eb** **F** (**Bb** **F** **Gm** **Eb**)
Merry have a Merry Christmas... today
