

**In Favour Of You**  
**Mia Standen**

[Verse 1]

**Gm** **Bb**  
i wonâ€™t be walking on this road anymore

**Gm** **Bb**  
take a glance at all this mess one last time  
**F** **Eb**  
stack the odds in favour, least u will feel braver  
**Gm** **Bb**  
if u can look me in the eyes tonight  
**F** **Eb**  
i know u u know forgiveness, i know u know u mean this  
**Gm** **Bb**  
if ur running out of time right now  
**F**  
light the stars on fire  
**Eb**  
take my hand & run

[Chorus]

**Eb** **Bb** **F** **Gm**  
all this time waiting for u  
**Eb** **Bb** **F** **Gm**  
all these lights in favour of few  
**Eb** **Bb** **F** **Gm**  
all this time, waited & waited  
**Eb** **Bb** **F** **Gm**  
watch me roll all on u

[Verse 2]

**Gm** **Bb**  
i was there for u each time, stood my ground  
**F** **Eb**  
always held ur back when u wouldnâ€™t crack  
**Gm** **Bb**  
picked u up every time that u fell  
**F** **Eb**  
wouldnâ€™t lose my fight, now my nameâ€™s in lights  
**Gm** **Bb**  
& ur acting like ur deaf, am i quiet?  
**F**  
tell me can u hear me?  
**Eb**  
tell me do u fear me?  
**Gm** **Bb**  
is it something that i said? oh no

**F** **Eb**  
whyâ€™d u even try this? i canâ€™t stand the silence

[Chorus]

**Eb** **Bb** **F** **Gm**  
all this time waiting for u  
**Eb** **Bb** **F** **Gm**  
all these lights in favour of few  
**Eb** **Bb** **F** **Gm**  
all this time, waited & waited

watch me roll all on u (favour of u)
