[Intro]
**C# C# C# C# C# C# C# C#**

[Chorus]
**C#                      C#**
Live fast, die young, Bad girls do it well
**F#m                   A**
Live fast, die young, Bad girls do it well
**C#                      C#**
Live fast, die young, Bad girls do it well
**F#m                   A**
Live fast, die young, Bad girls do it well
   **C#                              C#**
My chain hits my chest, When I m bangin  on the dashboard
     **F#m                            A**
My chain hits my chest, When I m bangin  on the radio

[Bridge]
    **C#          C#            F#m                        A**
Get back, get down, Pull me closer if you think you can hang
       **C#          C#            F#m                          A**
Hands up, hands tied, Don t go screaming if I blow you with a bang

[Verse]
**C#                  C#**
Suki Zuki, I m coming in the Cherokee
**F#m                A**
Gasoline, There s steam on the window screen
**C#                            C#**
Take it, take it, World s bouncing like a trampoline
**F#m                          A**
When I get to where I m going, gonna have you trembling

[Chorus]
**C#                      C#**
Live fast, die young, Bad girls do it well
**F#m                   A**
Live fast, die young, Bad girls do it well
**C#                      C#**
Live fast, die young, Bad girls do it well
**F#m                   A**
Live fast, die young, Bad girls do it well
   **C#                              C#**

```
                                        My chain hits my chest, When I m bangin  on the dashboard
    F#m                           A
My chain hits my chest, When I m bangin  on the radio

[Verse]
      C#                    C#
Yeah back it, back it, Yeah pull up to the bumper game
F#m                         A
Yeah with a signal, Cover me, cause I m changing lanes
        C#              C#
Had a handle on it, My life, I broke it
F#m                         A
When I get to where I m going, gonna have you saying it

[Chorus]
C#                    C#
Live fast, die young, Bad girls do it well
F#m                   A
Live fast, die young, Bad girls do it well
C#                    C#
Live fast, die young, Bad girls do it well
F#m                   A
Live fast, die young, Bad girls do it well
    C#                                C#
My chain hits my chest, When I m bangin  on the dashboard
    F#m                           A
My chain hits my chest, When I m bangin  on the radio
    C#                                C#
My chain hits my chest, When I m bangin  on the dashboard
    F#m                           A
My chain hits my chest, When I m bangin

[Bridge]
     C#        C#            F#m                        A
Get back, get down, Pull me closer if you think you can hang
       C#        C#            F#m                          A
Hands up, hands tied, Don t go screaming if I blow you with a bang

[Verse]
C#                          C#
Going nought to bitch, I ll see four million
  F#m                   A
Accelerating fast I can do this in a second
C#                          C#
Lookin  in the rear view, swaggin  goin  swell
F#m                         A
Leavin  boys behind â€˜cause itâ€™s illegal just to kill

C#                          C#
Shift gear, automatic, damned if I do
F#m                         A
Who s gonna stop me when I m coming through?
C#                          C#
```

```
What we got left is just me and you, but
F#m                      A
If I go to bed, baby, can I take you?

[Bridge]
    C#        C#              F#m                      A
Get back, get down, Pull me closer if you think you can hang
      C#        C#            F#m                        A
Hands up, hands tied, Don t go screaming if I blow you with a bang

[Chorus]
C#                   C#
Live fast, die young, Bad girls do it well
F#m               A
Live fast, die young, Bad girls do it well
C#                   C#
Live fast, die young, Bad girls do it well
F#m               A
Live fast, die young, Bad girls do it well
C#                   C#
Live fast, die young, Bad girls do it well
F#m               A
Live fast, die young, Bad girls do it well
C#                   C#
Live fast, die young, Bad girls do it well
F#m               A
Live fast, die young, Bad girls do it well
   C#                             C#
My chain hits my chest, When I m bangin  on the dashboard
    F#m                           A
My chain hits my chest, When I m bangin  on the radio

[Outro]
   C#                             C#
Chain hits my chest, When I m bangin  on the dashboard
   F#m                           A        C# C# F#m A C# (fade)
My chain hits my chest, When I m bangin
