

Hey Day

Mic Christopher

Sup!! first tab so ill make it a good song!

there s only 4 chords through the whole song but it makes a good rhythem!

G

For the sun

Cadd9

For the light

Dsus4

Asus4/G

For the ride and for the masters

G

We come to be kind

Cadd9

Dsus4

Asus4/G

To be warm here and after

G

We ve been out

Cadd9

But we re back

Dsus4

Asus4/G

Because we re graced in these matters

G | Cadd9 | Dsus4 | Asus4/G |

And we ll riseeeeeeee

G

And we did a little love

Cadd9

But we walked

Dsus4

Asus4/G

We make a sound for the mesto

G

Cadd9

Make a little call to the right

Dsus4

Asus4/G

to the ball and to the mast-top

Asus4/G

And we

Asus4/G

We fool around now and again

We re looking good

Cadd9

Dsus4

But just as friends.

G Cadd9 Dsus4

And this is our heyday baby

G Cadd9

Dsus4

And we re not gonna be afraid to shout

G Cadd9 Dsus4

Cause we can make our heyday last forever
G **Cadd9** **Dsus4**
And ain't that what it's all about.

G **Cadd9**
And we lack a little love, but a sign
Dsus4 **Asus4/G**
A sign to get a little messed up
G **Cadd9**
Picking up the rules, for the chimes
Dsus4 **Asus4/G**
Making up minds and making it last us
G **Cadd9**
Cause we live alone, and now we're grown
Dsus4 **Asus4/G**
And we know what we're after
G|Cadd9|Dsus4|Asus4/G
And we'll rissssssse

(for the next two parts just repeat the same chords!)

We fool around ...

And this is our heyday ...
