So run, run, run, run, run, run, run.

Its in your heart

Its in your art, your beauty

Even in this world of lies

Theres purity

Youve got innocence

In your eyes

Even in this world of lies

Youre still hopeful

Very sexy, okay, okay

Fear, we may come x4

So run, run, run, run, run, run, run

Through the yard

Through the yard of blonde girls

Through the river and the sea

Gold sharks glittering

A tree of white

Breaks the earth

The streets where lola played

Very sexy, very sexy, okay, okay

Fear, we may come x4

So run, run, run, run, run, run, run.
