I Believe

Verse
```
A                                              D
By Faith the worlds were framed,
A                                                D
And By Faith all things came to be,
A                                           D
And by Faith you ve given us the power,
A           E              D
To speak and see a thing.
```

Chorus
```
E                    E/B              C#m           D              D
I Believe, I Believe, Lord I Believe, Lord I Believe
E                    E/B              C#m           D              D
I Believe, I Believe, Lord I Believe, Lord I Believe
```

Verse
```
A                                              D
Without Faith it s impossible to please You,
A                                              D
And without faith you cannot move Your hand,
A                                              D
Without faith I can t say to this mountain be removed,
A             E                D
I could never see Your strength.
```

Chorus
```
E                      E/B              C#m           D                  D
I Believe, I Believe, Lord I Believe, Lord I Believe
E                      E/B              C#m           D                  D
```

I Believe, I Believe, Lord I Believe, Lord I Believe

```
