

Slow Love

Michael Alvarado

[Verse]

A Bm C#m Bm

See me, I m nervous
What did it take to deserve this?
Beautiful love, it s perfect
Baby without you I m worthless
but you gotta know it takes service
Love is real without purchase
and I d do nothin to hurt this
I knew it was love for the first kiss

[Pre-Chorus]

A Bm C#m Bm

Take it easy
it don t take a lot to please me
I m forever yours

[Chorus]

A Bm C#m Bm

So, sit back, relax, and take it slow
We ain t got to far to go before we make it
My heart is yours for the taking
So, sit back, relax, enjoy the show
We ain t got to far to go before we make it
My heart is yours for the taking (but please don t break it)

[Bridge]

A Bm C#m D

A Bm C#m Dm

Baby I want you
I want my body to haunt you
I want my lips to be on you
Cause nobody does it like I do
I am searching for the real you
Hands are aching to feel you
and I just want to be near you
Cause nobody does it like you do
