

Mad World

Michael Andrews

Michael Andrews feat. Gary Jules - Mad world

It s a lot simpler to get a nice rythm if you play it with a capo on the first fret and go Em G D A. After all, it is a piano song with not a lot of guitar licks... :)

Enjoy!

Fm **G#**
All around me are familiar faces
D# **Bb**
Worn out places worn out faces
Fm **G#**
Bright and early for the daily races
D# **Bb**
Going nowhere going nowhere
Fm **G#**
The tears are filling up their classes
D# **Bb**
No expression no expression
Fm **G#**
Hide my head I want to drown my sorrow
D# **Bb**
No tomorrow no tomorrow

Fm **Bb**
And I find it kind of funny
Fm
I find it kind of sad
Bb
The dreams in which I m dying
Fm
Are the best I ve ever had
Bb **Fm**
I find it hard to tell you I find it hard to take
Bb
When people run in circles it s a very, very
Fm **Bb** **Fm** **Bb**
Mad world. Mad world

Children waiting for the day they feel good
Happy birthday happy birthday
And I feel the way that every child should
Sit and listen sit and listen
Went to school and I was very nervous
No one knew me no one knew me
Hello teacher tell me what s my lesson
Look right through me look right through me

And I find it kind of funny
I find it kind of sad
The dreams in which I'm dying
Are the best I've ever had
I find it hard to tell you I find it hard to take
The people run in circles it's a very, very mad world. Mad world
