

I Promese You
Michael Bolton

Intro: D F#m A F#m G Gm

I will promise you, yes I promise to
Love you for all your life
Love you every day and night
I will always be there for you

I ll be in your arms, you ll be in my heart

Refrão:

I ll love you forever, I promise you
We ll be together, our whole life through
There s nothin that I, I wouldn t do
With all of my heart, I promise you
I will take your hand, and I ll understand
Share all your hopes and dreams
Show you what love can mean
Whenever life just gets too much for you
I ll be on your side, to dry the tears you cry

Oh I will always be in your arms
And you will always be the flame
within my heart
