

**I Said I Loved You...But I Lied**  
**Michael Bolton**

**Gm**

You are the candle, love is the flame

**D7**

a fire that burns through wind and rain

**Cm**

Shine your light on this heart of mine

**G#** **Eb**

Till the end of time

**Bb** **Cm**

You came to me like the dawn through the night

**G#** **Bb**

Just shining like the sun

**Bb** **Cm**

Out of my dreams and into my life

**G#** **Bb** **Eb** **Bb**

You are the one, you are the one

**Cm** **G#** **Eb** **Bb**

Said I loved you but I lied

**Cm** **G#** **Eb** **Bb**

Cause this is more than love I feel inside

**Cm** **G#** **Eb** **Bb**

Said I loved you but I was wrong

**Cm** **G#** **Eb** **Bb**

Cause love could never ever feel so strong

**Cm** **Gm**

Said I loved you ... but I lied

**Gm**

With all my soul I ve tried in vain

**D7**

How can mere words my heart explain

**Cm**

This taste of heaven so deep so true

**G#** **Eb**

I ve found in you

**Bb** **Cm**

So many reasons in so many ways

**G#** **Bb**

My life has just begun

**Bb** **Cm**

Need you forever, I need you to stay

**G#** **Bb** **Eb** **Bb**

You are the one, you are the one

**Cm** **G#** **Eb** **Bb**

Said I loved you but I lied

**Cm**                    **G#**                    **Eb**        **Bb**  
Cause this is more than love I feel inside  
**Cm**                    **G#**                    **Eb**        **Bb**  
Said I loved you but I was wrong  
**Cm**                    **G#**                    **Eb**                    **Bb**  
Cause love could never ever feel so strong  
**Cm**                                            **Gm**  
Said I loved you ... but I lied

**Bb**                                            **Cm**  
You came to me like the dawn through the night  
**G#**                                            **Bb**  
Just shining like the sun  
**Bb**                                            **Cm**  
Out of my dreams and into my life  
                  **G#**                    **Bb**                                            **Eb**        **Bb**  
You are the one, you are the one

**Dm**                    **A**                    **F**                    **C**  
Said I loved you but I lied  
**Dm**                                            **A**                                            **F**                    **C**  
but this is more than love I feel inside  
**Dm**                                            **Am**  
Said I loved you ... but I lied
