Missing you now

I know we ll be together, and it won t be long, it won t be long
But it feels like forever
And it s hard to be strong

Baby, cause I m missing you now
And it s driving me crazy
How I m needing you, baby
I m missing you
Can t wait to be alone with you
To show you how I m missing you

Missing you, missing you
Baby, I should be holding you, kissing you
I m missing you now
Don t know what I m gonna do
The way I m missing you
Missing you, missing you now
And it s driving me crazy...
