

That's What Love Is All About
Michael Bolton

E	B	A	B
There was a time	We thought our dream was over		
E	B	A	B
When you and I	Had surely reached the end		
E	B	A	B
Still here we are	The flame as strong as ever		

A	G#m	A	E	B7	B
All because we both kept holding on	We know we can weather any storm				

[Chorus 1]

E	B	A	B	G#m	C#m
Baby, that s what love is all about	Two hearts that find a way, somehow				
A	B7	B			
To keep the fire burning					
E	B	A	B		
It s something we could never live without	If it takes forever				
G#m	C#m	A	B		
We can work it out	Beyond a shadow of a doubt				
A	B	E			
Baby, that s what love is all about					

[Verse 2]

E	B	A	B		
As time goes by	We ve learned to rediscover				
E	B	A	B		
The reason why	This dream of our survives				
E	B	A	B		
Through thick and thin	We re destined for each other				
A	G#m	A	E	B7	B
Knowing we can reach the other side	Far beyond the mountains of our pride				

[Bridge]

A	G#m	B	C#m
Riding the good times is easy	The hard times can tear you apart		
A	G#m		
There ll be times in your heart	When the feelin is gone		
A	B7	B	
But ya keep on believing	And ya keep holdin on		

[Chorus 2]

E	B	A	B	G#m	C#m
Baby, that s what love is all about	Two hearts that find a way, somehow				
A	B7	B			

To keep the dream from dying

E		B		A		B
It s something we could never live without				If it takes forever
