

## Hey Love

Michael Carreon

>Please note that these CAN also be guitar chords, but you d probably need a capo and I can t tell you where to put it. I initially made these chords for ukulele, seeing as they both have a similar sound in chords. Have fun.  
>The strum pattern is DDUUDU  
INTRO: **F Bb C** [2x]

### VERSE 1:

**F** **Bb** **C**  
I know I m a stranger to you now. I m not gonna try to make excuses.

**F** **Bb**  
But I was the one who used to make you smile,

**C**  
and I know the flowers would be useless.

**Dm** **Am**  
So I thought I d sing you this song...

**Gm** **C**  
To tell you I miss you, and that I was wrong. I ll take my chances.

### CHORUS:

**F** **Bb** **C** **F** **Bb**  
**C** **Dm**  
Hey, love. I just wanted to say, love that I miss you with this song.

**Am** **Gm**  
And I hope you ll sing along, but if this song s not enough...

**C** **F**  
I just wanted to say, hey love.

**F Bb C** [2x]

### VERSE 2:

**F** **Bb**  
We were just kids when we fell in love.

**C**

I still have all the notes that you passed me.

**F**

**Bb**

Remember exactly how it was?

**C**

If you don't all you gotta do is ask me.

**Dm**

**Am**

Remember the pictures that we used to trace?

**Gm**

**C**

You told me your secrets, and I kept them safe. Say,

[CHORUS]

**Bb**

**C**

**Dm C Bb**

Back when kids still played outside, we would go and ride our b i k e s.

**Bb**

**C**

**Dm C Bb Gm**

We would use the moon as light. I would count and you d go h i d e.

**C**

You d go hide...I hope I find you.

[CHORUS]

(End on **F** ).
