They say you got to chose your side and, when its done.

Nobody right, nobody wrong.

It ended in a great big fight and, when its done.

Nobody right, nobody wrong

VERSE 1

A **E** **D**
Conflict each and every day, at home and in the streets,.
and in my soul every way
Its hard to keep the faith, when I feels so far away.
Times i feel connected, times I m runnin away.
But Whoa Whoa, Cant you see, all the sickness, hunger, and poverty.
War on the land and war on the seas.

Gm **Gm** **C** **A**
Whoa, War is a painful thing.

A **E** **D**
One argument that none of us can hide,.
is the one thats ragin down deep inside
Tryin to make a point, or have the last word.
But most the time people just tryin to be heard.

CHORUS

A5 **Em** **D5** **C5**
They say you got to chose your side and, when its done.
Nobody right, nobody wrong.
It ended in a great big fight and, when its done.

Nobody right, nobody wrong.

BRIGDE

Dm **Am** **C** **A**
But how many people never eva broke a rule.
And how many people tryin to get their kids to school
And how many people prayin they only find a job.
And how many poeple are afraid of gettin robbed.

Gm **Gm** **C** **A**
Whoa Whoa, nobody knows.

Gm **Gm** **C** **A**
And whoa whoa, only god knows.

A **E** **D**
Numbers escalate, wall street, crime rate.
From the Bahgdad streets, to my city by the bay.

CHORUS

A5 **Em** **D5** **C5**
Hey they say you got to chose your side and, when its done.
Nobody right, nobody wrong.
It ended in a great big fight and, when its done.
Nobody right, nobody wrong.

A **B** **C**
And I say, can you say what you mean?
And can you mean what you mean what you say?
And can you say what you mean?
And can you mean what you mean what you say?
And can you say what you mean?
Every single day? Whoa, whoa, whoa.

A **E** **D**
Reach out a hand to somebody who needs a hand.
And reach out a heart to somebody torn apart.
Its hard, this livin, this life we ve been given.
Locked in your soul, or locked up in prison.
Remember you have to reach high to be risen.
The day you let go is the day you are forgiven.

A5 **Em** **D5** **C5**
So they say you got to chose your side and, when its done.
Nobody right, nobody wrong.
Nobody right now.
Nobody right, nobody wrong.
Nobody right, nobody wrong.
And I say, one man got a jet fighter, and the other got a song.
