MICHAEL FRANTI & SPEARHEAD

Tabbed by Amelia

VERSE 1

[G C F C]

I received the letter that you wrote me
On a dark, cold and cloudy day
Reminding me on the side of the road
You find the light, you ll find a friend,
You ll find a way
But today I m felling all broke down
I ain t got the faintest clue bout what to do
Can t comprehend the situation at hand
so I try my best, just to get back home to you

CHORUS

[G C]

Gonna keep on walking now	Yes I will
Gonna keep on talkin loud	Yes I will
Gonna keep on singin bout it	Yes I will
Gonna keep on ringing out	Yes I will

VERSE 2

[G C F C]

I believe that what you sing to the clouds
will rain upon you when your sun, has gone away
And I believe, that what you dream to the moon
Will manifest, before you rest, another day
So stay strong, and sleep long when you need to
let the mornin take you right on through the day
And when you find you re at the end of the road
just lift your head up
Spread your wings and fly away

[Chorus]

INSTRUMENTAL

F (hold for ages)

BRIDGE

[G C]

When you re lost and alone

That s when the rainbow comes

When you re lost and alone

that s when the rainbow comes for you

[Chorus]
