

**Fly**  
**Michael Gungor**

Song : Fly  
Album : Ancient Skies  
Artist : Michael Gungor band  
Key : F#m

[Intro]

**F#m7**

[Verse 1]

**F#m7**                    **E/G#**    **A** **D2**  
All this doubt, trying to work it out  
                         **A**                    **Dmaj7**  
Could you lay it down, for now  
**F#m7**                    **E/G#**    **A**    **D2**  
It s good to think but it s good to drink  
                         **A** **Bm** **A/C#**                    **Dmaj7**  
From this living stream, so why

[Chorus]

**D**    **E/G#**            **A**  
Why don t you fly  
     **F#m7**            **G**  
Free your mind  
**C#** **F#m**            **A**  
To all this splendor  
     **D**    **E/G#**            **A**  
Why don t you fly  
**F#m7**        **G**        **C#**    **F#m7**  
To the arms, that save

[Verse 2]

**F#m7**                                    **D2**  
You can come while your heart feels numb  
                         **A**    **Bm**    **A/C#**                    **D2**  
You could just lie down and rest  
     **F#m7**                                    **D2**  
Or lift your eyes to the open sky  
                         **A**    **Bm** **A/C#**                    **D2**  
We could come alive and fly

Instrumental chords are same as chorus chords.
