

**We Will Not Go Down**  
**Michael Heart**

Tuning: Half-step down.

[Intro]

**Am** (x4)

[Verse]

**Am** **C**  
A blinding flash of white light  
**G** **Am**  
Lit up the sky over Gaza tonight  
**Am** **C**  
People running for cover  
**G** **Am**  
Not knowing whether theyâ€™re dead or alive

**Dm** **Am**  
They came with their tanks and their planes  
**Dm** **Am**  
With ravaging fiery flames  
**Dm** **F**  
And nothing remains  
**C** **G**  
Just a voice rising up in the smoky haze

[Chorus]

**F** **C**  
We will not go down  
**Am** **G**  
In the night, without a fight  
**F** **C**  
You can burn up our mosques and our homes and our schools  
**Am** **G**  
But our spirit will never die  
**Am** **G**  
We will not go down  
**Am**  
In Gaza tonight

[Verse]

**Am** **C**  
Women and children alike  
**G** **Am**  
Murdered and massacred night after night  
**Am** **C**  
While the so-called leaders of countries afar  
**G** **Am**  
Debated on who's wrong or right

**Dm** **Am**  
But their powerless words were in vain  
**Dm** **Am**  
And the bombs fell down like acid rain  
**G** **Am**  
But through the tears and the blood and the pain  
**C** **Em**  
You can still hear that voice through the smoky haze

[Chorus]

**F** **C**  
We will not go down  
**Am** **G**  
In the night, without a fight  
**F** **C**  
You can burn up our mosques and our homes and our schools  
**Am** **G**  
But our spirit will never die  
**Am** **G**  
We will not go down  
**Am**  
In Gaza tonight

**F** **C**  
We will not go down  
**Am** **G**  
In the night, without a fight  
**F** **C**  
You can burn up our mosques and our homes and our schools  
**Am** **G**  
But our spirit will never die  
**F** **C**  
We will not go down  
**Am** **G**  
In the night, without a fight  
**Am** **G**  
We will not go down  
**Am**  
In Gaza tonight
