Love is strong, it only cares for joyful giving.
       A            Bm7          C#m7         D/E
If we try, we shall see, in this bliss we can t feel
         A            Bm7                   C#m7  D/E
fear or dread, we stop existing and start living.

```

```
         G                                              A
And the dream we were conceived in will reveal a joyful face
         G                                        A
And the world we once believed in will shine again in grace
      F#m7          C#m7
Then why do we keep strangling life
         D                    C#m7
Wound this earth, crucify it s soul
          Bm7                              Bm      D/E
Though it s plain to see, this world is heavenly. Be God s glow!
