PLEASE COMMENT! PLEASE RATE! THE WHOLE SONG IS. Е D (OR Bm) Α pick the intro... well i remember skies a-blue there s always someone you never knew but life is okay. i think about those days gone by when there was nothing but you and I Life was okay. But, I m just a day dreamer, one of those hopeless believers I m standing on the outside lookin Ohh, tell me your name, baby And Don t you play games with my heart, and make me feel like I m outside lookin in. I remember days gone by when the fire lit the sky alive, Where it was only you and I gunna live forever. Thoughts of you run through my head and they take me back to that time again but it was never gunna be you and me forever, forever baby I m a daydreamer one of those hopeless believers. I m standing on the outside looking in. Tell me your name, baby and don t you play games with my heart and make me feel like I m on the outside lookin in

Ooo oo oo oo oo oo oo (oohh yeahh)
