

Do I Remember A Life
Michael Kiske

G

G
I once was a blue eyed
A' G
I once dreamed I was free

G
I once dived in a life spending sea
F G
And heard the voice of the priest

G
I once heard the angels
G
Singing the song of the cross
G
There was no fear, no doubts in our hearts
F G
No soul could ever get lost

C G
I prayed to the heavens above
C G D
I reached for the sky full of love
C G
Awaited the luminous sign
C D Em
To hear what s heard by the pure-restless mind

G D Em
Now you can see me return
G D Em
I look for the priest to make me learn
G D Em
Will I remember the past?
G D
Make me return to the best!

G
Do I remember a life?
D/F# Em
In the dark age of time?
Em/D C D
I hear it call in my dreams
G
Maybe I was not alone?
D/F# Em
Maybe I called friends my own?

Em/D C D
Together hearts full of love!

G
I know my heart says the truth

D/F# Em
Maybe it was me and you?

Em/D C D
I got to return to the wind

G
This world is never our home

D/F# Em
Somewhere I left friends alone

Em/D C D
Can someone show me the way?

Em
Do I remember a life?

G
There once was the mystery

G
That now sings in my heart

G
The fire in my veins talks so loud about the past

F G
About the place where the love for our hearts starts

G
We once moved through the cold fields

G
Strong and save led by the gods

G
The voices in the wind sang the children to sleep

F G
Free spirits looked clear through the dark

C G
I pray to the heavens above

C G D
I reach for the sky full of love

C G
I wait for the luminous sign

C D Em
To hear what s heard by the pure-restless mind

G D Em
I see the twelve around the One

G D Em
The mystery truth to carry on

G D Em
A fight against the strong earth-kings

G D
The sungod s light we had to bring
