

Do I Remember A Life
Michael Kiske

F

F

I once was a blue eyed

Â´ **F**

I once dreamed I was free

F

I once dived in a life spending sea

Eb

F

And heard the voice of the priest

F

I once heard the angels

F

Singing the song of the cross

F

There was no fear, no doubts in our hearts

Eb

F

No soul could ever get lost

Bb

F

I prayed to the heavens above

Bb

F C

I reached for the sky full of love

Bb

F

Awaited the luminous sign

Bb

C Dm

To hear what s heard by the pure-restless mind

F

C

Dm

Now you can see me return

F

C

Dm

I look for the priest to make me learn

F

C

Dm

Will I remember the past?

F

C

Make me return to the best!

F

Do I remember a life?

C/F#

Dm

In the dark age of time?

Dm/D

Bb

C

I hear it call in my dreams

F

Maybe I was not alone?

C/F#

Dm

Maybe I called friends my own?

Dm/D **Bb** **C**
Together hearts full of love!

F
I know my heart says the truth

C/F# **Dm**
Maybe it was me and you?

Dm/D **Bb** **C**
I got to return to the wind

F
This world is never our home

C/F# **Dm**
Somewhere I left friends alone

Dm/D **Bb** **C**
Can someone show me the way?

Dm
Do I remember a life?

F
There once was the mystery

F
That now sings in my heart

F
The fire in my veins talks so loud about the past

Eb **F**
About the place where the love for our hearts starts

F
We once moved through the cold fields

F
Strong and save led by the gods

F
The voices in the wind sang the children to sleep

Eb **F**
Free spirits looked clear through the dark

Bb **F**
I pray to the heavens above

Bb **F** **C**
I reach for the sky full of love

Bb **F**
I wait for the luminous sign

Bb **C** **Dm**
To hear what s heard by the pure-restless mind

F **C** **Dm**
I see the twelve around the One

F **C** **Dm**
The mystery truth to carry on

F **C** **Dm**
A fight against the strong earth-kings

F **C**
The sungod s light we had to bring
