

Do I Remember A Life
Michael Kiske

A

A

I once was a blue eyed

A

I once dreamed I was free

A

I once dived in a life spending sea

G

A

And heard the voice of the priest

A

I once heard the angels

A

Singing the song of the cross

A

There was no fear, no doubts in our hearts

G

A

No soul could ever get lost

D

A

I prayed to the heavens above

D

A E

I reached for the sky full of love

D

A

Awaited the luminous sign

D

E F#m

To hear what s heard by the pure-restless mind

A

E

F#m

Now you can see me return

A

E

F#m

I look for the priest to make me learn

A

E

F#m

Will I remember the past?

A

E

Make me return to the best!

A

Do I remember a life?

E/F#

F#m

In the dark age of time?

F#m/D

D

E

I hear it call in my dreams

A

Maybe I was not alone?

E/F#

F#m

Maybe I called friends my own?

F#m/D **D** **E**
Together hearts full of love!

A
I know my heart says the truth

E/F# **F#m**
Maybe it was me and you?

F#m/D **D** **E**
I got to return to the wind

A
This world is never our home

E/F# **F#m**
Somewhere I left friends alone

F#m/D **D** **E**
Can someone show me the way?

F#m
Do I remember a life?

A
There once was the mystery

A
That now sings in my heart

A
The fire in my veins talks so loud about the past

G **A**
About the place where the love for our hearts starts

A
We once moved through the cold fields

A
Strong and save led by the gods

A
The voices in the wind sang the children to sleep

G **A**
Free spirits looked clear through the dark

D **A**
I pray to the heavens above

D **A** **E**
I reach for the sky full of love

D **A**
I wait for the luminous sign

D **E** **F#m**
To hear what s heard by the pure-restless mind

A **E** **F#m**
I see the twelve around the One

A **E** **F#m**
The mystery truth to carry on

A **E** **F#m**
A fight against the strong earth-kings

A **E**
The sungod s light we had to bring
