

When Youre Down On Your Knees
Michael Kiske

C Am G F G

C
I don t believe what you re saying
F C
I don t believe a word
C G/B Am G
You never did anything that was true
F G
And hate will be your final work

C
I wouldn t dance at your party
F C
No, I wouldn t risk a dance
C
For the rest of my time
F
I will keep it mind
G
I will look at your life and will find:
F Dm
When you re down on your knees
G C
That s when you re closest to heaven

Am G F G

C
I don t believe when you re smiling
F C
I don t believe in your mask
C G/B Am G
You hardly say anything you don t use
F G
All your life is a lie at it s best

C
Your love means never another
F C
Is there anything left that is true?
C
You will end all alone
F
With no peace of your own
G
Cause the god of love you ve never known!

F **Dm**
When you re down on your knees
G **C**
That s when you re closest to heaven

F
I guess you ll never get it
G **Am**
You ll never regret all the broken hearts

You ve left behind
F
If there s one thing that you ll never find
G
Peace of mind

C F C C G/B Am G F C

E **F**
There s always one a lonely street
G **C**
Walking his way to the sun

E
There s always one
F
That takes the whole world s greed
G **C**
All on his back and it s done
F **G**
And ever since the world s turning

Am
There s always a fool that is leading the blind
F
If there s one thing that you ll never find
G
Peace of mind

C
Your thoughts are so low it s a shame
F **C**
That s why for you everyone else is low
C **G/B** **Am** **G**
People see life through the glass in their hearts
F **G**
So the fruits of your doings do show

C
In this world it all could mean maybe
F **C**
But on the other side you ll hear it loud
C
I know time clears the clouds
F

One day you won't walk proud

G

It will all be revealed there's no doubt
