

When Youre Down On Your Knees
Michael Kiske

B G#m F# E F#

B
I don t believe what you re saying
E **B**
I don t believe a word
B **F#/B** **G#m** **F#**
You never did anything that was true
E **F#**
And hate will be your final work

B
I wouldn t dance at your party
E **B**
No, I wouldn t risk a dance
B
For the rest of my time
E
I will keep it mind
F#
I will look at your life and will find:
E **C#m**
When you re down on your knees
F# **B**
That s when you re closest to heaven

G#m F# E F#

B
I don t believe when you re smiling
E **B**
I don t believe in your mask
B **F#/B** **G#m** **F#**
You hardly say anything you don t use
E **F#**
All your life is a lie at it s best

B
Your love means never another
E **B**
Is there anything left that is true?
B
You will end all alone
E
With no peace of your own
F#
Cause the god of love you ve never known!

E **C#m**
When you re down on your knees
F# **B**
That s when you re closest to heaven

E
I guess you ll never get it
F# **G#m**
You ll never regret all the broken hearts

You ve left behind
E
If there s one thing that you ll never find
F#
Peace of mind

B E B B F#/B G#m F# E B

Eb **E**
There s always one a lonely street
F# **B**
Walking his way to the sun

Eb
There s always one
E
That takes the whole world s greed
F# **B**
All on his back and it s done
E **F#**
And ever since the world s turning
G#m
There s always a fool that is leading the blind

E
If there s one thing that you ll never find
F#
Peace of mind

B
Your thoughts are so low it s a shame
E **B**
That s why for you everyone else is low
B **F#/B** **G#m** **F#**
People see life through the glass in their hearts
E **F#**
So the fruits of your doings do show

B
In this world it all could mean maybe
E **B**
But on the other side you ll hear it loud
B
I know time clears the clouds
E

One day you won't walk proud

F#

It will all be revealed there's no doubt

E

C#m

Cause when you're down on your knees

F#

B

That's when you're closest to heaven

E

C#m

Cause when you're down on your knees

F#

B

That's when you're closest to heaven

E
