Always Waiting - Michael Kiwanuka

Saw a cover of this song made by two girls online. Decided to create a tab for it since there was none.
Thus, all the credit goes to them, I m just the messenger!

Finger-picking or strumming both work just fine even though I have a slight preference for finger-picking it. (You can also mix both)

Feel free to add to it :)

C - 335553 (works fine with a regular C too)
D - 557775
