Michael Learns to Rock

Title - Family Tree

Artist - Michael Learns To Rock

Tabbed by - Macanzie Pereira

G **C** **D**
I m gonna be the owner of the world for a little while
Bm **C**
and it feels like I am flying
G **C** **D**
Everybody s waving in the crowd to get a smile
Bm **C**
but they never saw me crying

Am **D**
Even when we dance across the floor
G **D**
and everyone is calling out for more
Am **D**
Somewhere in your heart you feel alone

(Solo).....

[Chorus:]

G **C**
Hold my hand tonight
D **Bm**
and show me what is right
Em **Am**
Make my life complete
D **G**
below the family tree
G **C**
Take away my fear
D **Bm**
and tell me you ll be there
Em **Am**
We will always stay together
D **G**
I will always know you care

G **C** **D**
Everybody s talking right behind my back
Bm **C** **D**
and I don t care what people are thinking - no

G **C** **D**
But in a little corner of my mind it s getting tough
Bm **C** **D**
when the moving lights are twinkling

[Chorus:]

G **C**
Hold my hand tonight
D **Bm**
and show me what is right
 Em **Am**
Make my life complete
D **G**
below the family tree
