

**If You Leave My World
Michael Learns to Rock**

If You Leave My World.....by Michael Learns to Rock

D **Bm**
What about the life that you were dreaming of
G **A**
What about the picture in my head
D **Bm**
What about the love that we were fighting for
Bb **A** **D**
Is it still somewhere alive or is it dead

G **Bm** **Em**
How could we ever go so wrong
G **Bm** **A**
I always thought that we were strong

D **G**
*But if you leave my world tomorrow
D
And if you leave me cold tonight
F#m **Em**
(If you re gonna leave me cold tonight)
A **D**
(Do you really wanna see me cry)
G
I m gonna live my life in sorrow
D
And you ll forever see me cry
F#m **Em...A**
(If you re gonna leave me cold tonight)

What about the home that we were building up
What about the colours in our hearts
What about the kids we should be playing with
Should we leave this fantasy into the dark

You are as shining as the sun
You are the place where I belong

(repeat *)

Bm **Em**
Do you share the pain inside
A **F#m**

Do you know how much it bites

Bm **Em**

Do you mind to watch me fall

A **N.C**

Do you care for me at all

(repeat *)

Chords worked out by Baxter Massey

song dedicated to my ex-girlfriend Susse Hansen
