Michael Learns to Rock

Someday, Michael Learns To Rock

Am F C G....
In my search for freedom, and peace of mind
I ve left the memories behind

D
Wanna start a new life, but it seems to be rather absurd

F	G	C
When I know the truth, is that I always think of you		

C **G** **Am** **F**
Someday someway, together we will be baby

C **Am** **G**
I will take and you will take your time

C G Am F

We ll wait, for our fate , cos nobody owns us baby

C **G** **C**

We can shake we can shake the rock

Try to throw the picture out of my mind, try to leave the memories behind
Here by the ocean, wave s carry voices from you
Do you know the truth, I am thinking of you too

Chorus

Bb **F/A**
The love we had together, just fades away in time

Ab G

C

And now you've got your own world, and I guess I've got mine

Bb	F/A
But the passion that you planted, in the middle of my heart	

Ab	G
Is the passion that will never stop	

Chorus

Peace out
