Take Me To Your Heart.....Michael learns to rock

D **Bm**
Hiding from the rain and snow
G **D**
Trying to forget but I won't let go
D **Bm**
Looking at a crowded street
G **A**
Listening to my own heart beat

D **Bm** **G** **D**
So many people all around the world
D **Bm** **A**
Tell me where do I find someone like you girl

D **Bm**
*Take me to your heart take me to your soul
G **A**
Give me your hand before I'm old
D **Bm**
Show me what love is - haven't got a clue
G **A**
Show me that wonders can be true
Bm **G**
They say nothing lasts forever
A
We're only here today
Bm **G**
Love is now or never
A
Bring me far away
D **Bm**
Take me to your heart take me to your soul
A
Give me your hand and hold me
D **Bm**
Show me what love is - be my guiding star
A **Bm** **D**
It's easy take me to your heart

Standing on a mountain high
Looking at the moon through a clear blue sky
I should go and see some friends
But they don't really comprehend

Don't need too much talking without saying anything

All I need is someone who makes me wanna sing
(repeat *)
