**F#7...** 242352

[Verse]

**A** **D**  
Staring at the moon so blue  
**Bm** **C#7** **C#**  
Turning all my thoughts to you  
**F#m**  
I was without hopes or dreams  
**Bm** **E**  
I tried to dull an inner scream but you  
**Eadd9** **E**  
Saw me through

**A** **D**  
Walking on a path of air  
**Bm** **C#7** **C#**  
See your faces everywhere  
**F#m**  
As you melt this heart of stone  
**Bm** **E**  
You take my hand to guide me home and now  
**Eadd9** **E**  
I m in love

[Chorus]

**A**

You took my heart away

**F#m**

When my whole world was gray

**Bm**

**E7... E**

You gave me everything and a little bit more

**A**

And when it s cold at night

**F#m**

And you sleep by my side

**Bm**

**E**

**A**

You become the meaning of my life

[Verse]

**A**

**D**

Living in a world so cold

**Bm**

**C#7**

**C#**

You are there to warm my soul

**F#m**

You came to mend a broken heart

**Bm**

**E**

You gave my life a brand new start and now

**Eadd9**

**E**

I m in love

[Chorus]

**A**

You took my heart away

**F#m**

When my whole world was gray

**Bm**

**E7... E**

You gave me everything and a little bit more

**A**

And when it s cold at night

**F#m**

And you sleep by my side

**Bm**

**E**

**A**

You become the meaning of my life

**F#m**

Holding your hand

**A**

I won t fear tomorrow

**F#m**

Here were we stand

**A**

**E**

**F#**

We ll never be alone

[Solo:] **B G#m C#m F#sus F#**

[Chorus]

**B**

You took my heart away

**G#m**

When my whole world was gray

**C#m**

**F#7...**

**F#**

You gave me everything and a little bit more

**B**

And when it s cold at night

**G#m**

And you sleep by my side

**C#m**

**F#**

**B**

You become the meaning of my life

**C#m**

**F#**

**G#m**

You become the meaning of my life

**C#m**

**F#**

You become the meaning

**C#m**

**F#**

**B**

You become the meaning of my life
